- No person may be a guest at the Club more than two times per month.
- A guest must be accompanied by the inviting member.
- A **bona fide house guest** of a member is extended membership privileges, provided that the house guest is related to the hosting member and that the normal residence of said guest is outside Marin County. The house guest must register with the GM prior to arrival at the Club. (1-2 people, \$30/week, 3-5 people, \$50/week)

Hosting guests at the RRC is a privilege for members which, when abused, inconveniences the membership as a whole. Thank you for your understanding of our policies. Guest Policy infractions will result in a \$25 charge.

Free guest periods:

- Tuesdays and Thursdays from 1-3pm (tennis only)
- All day on the last Thursday of the month (tennis or swim)

More than 6 guests???

In consideration of all of our members, any time a member hosts more than 6 guests it is considered a party and MUST fall into one of the party categories listed on the reverse. Further:

Members are required to arrange 6+ gatherings with the main office in advance.

Families co-hosting guests for a pool party are considered one "party".

Other options may be available for members wishing to host guests, but we ask that you please contact the office for clearance.
