

JUNIORS AT RRC

In order to provide more availability for our young members to use RRC safely, kids may apply for JUNIORS AT RRC. This program gives parent-free access to the Club to our 11-13 year old members who meet the following requirements:

- Active RRC member, ages 11-13
- Parents and juniors complete required paperwork
- Juniors complete on site training
- The junior must have an up to date waiver signed and filed in the office

Juniors who meet these requirements will be enrolled in Juniors at RRC. This is a privilege that can be revoked at any time.
