| <b>Tennis League<br/>Mike<br/>5-10 minutes</b>                    | <p>The rainouts continue. Lots of reschedules.<br/><i>Spring league teams</i> have been set. Discussion on the number of teams and request for 3.5 women to choose between 3.5 daytime and 4.0 daytime teams rather than signing up for both. Trying to create more space for players at all levels.<br/><i>Ladies League</i> - A2 got the points to stay at A2. Other levels are still playing. Will discuss more at next meeting.<br/><i>Captain Guidelines and Player Expectations</i> - With all of the rain and fog, want to reiterate it is the responsibility of the captains to determine whether courts are playable not the staff. Also, it is RRC policy to play a 10-point tie break instead of full third set. Mike will discuss all with the captains at the next captains meeting.</p> |

All full.</i><br/>Rebecca asked if there could be a family day for parents and their younger children that cannot rally. Lisa and Mike said they would work on a date and some ideas of how to structure the event.</p>   |
